

SUN CORRIDOR MPO REGIONAL TRANSPORTATION PLAN 2050 UPDATE

WHO IS THE SUN CORRIDOR MPO?

The Sun Corridor Metropolitan Planning Organization (MPO) provides transportation planning services to the communities of Casa Grande, Coolidge, Eloy and rural portions of Pinal County, and covers 1,155 square miles, with an estimated population of nearly 120,000.

WHY AN RTP?

MPOs are required to prepare Regional Transportation Plans (RTPs). RTPs are developed in cooperation with federal and state agencies, local project stakeholders, and the traveling public. The RTP describes how various funding sources for transportation improvements will be invested in the region over the next 25 years (2025-2050).
