**Late Fee<sup>4</sup>**

1. The fees are adjusted annually according to the Consumer Price Index (CPI)
2. Emission fee is in addition to the Class I annual administrative fee and is based on per ton of actual emissions of all regulated pollutants emitted during the previous year.
3. Class III includes sources which have potential to emit below significant levels.
4. A late fee of 1.5% per month will be charged for any fees that remain unpaid 30 days after the initial due date.
