Why Teen Court?

What is Teen Court?

The Teen Court program is a Diversion Program designed to provide juvenile offenders with an alternative to the formal juvenile justice system when possible.

Teen Court provides the only venue in the Juvenile Court system wherein a youth's case is deliberated by a true jury of their peers.

Holding youth accountable in this direct way provides them with a unique opportunity to accept responsibility for their offense and actively make amends to the victim, their family and the community.

At the same time, the student volunteers who participate as judges, jurors, attorneys, victim advocates, clerks and bailiffs gain an educational experience and a sense of pride in assisting youth, the community and all that are impacted by juvenile crime.

Description of Meetings

In Teen Court, volunteers meet for two different types of meetings:

Teen Court Case Prep

Prep meetings help the youth volunteers prepare for upcoming cases. This includes completing all necessary paperwork and practicing for the hearing. Prep is intended for Teen Court Members only.

Teen Court Hearings

The Teen Court Hearing is when the actual case is heard with a Judge. Hearings are private and confidential.
