

PINAL COUNTY DEVELOPMENT SERVICES
APPROVAL OF FENCING MATERIALS APPLICATION
PCDSC 2.150.100 (B) Fencing Standards

To submit for Approval of Fencing Material you must provide:

1. Completed Approval of Fencing Materials Application.
2. One copy of a scaled site plan on 8 ½ x 11 paper showing location of the fencing (include height of fence).
3. Photo or sample of the fencing material to be used with a narrative describing fencing material, how fencing material will be used and/or constructed and include height of fencing in front, side and rear of property.
4. Once completed mail to Development Services, Attn. Code Compliance, PO Box 749, Florence, AZ 85132, or email to CodeCompliance@pinal.gov.

* Please note that if approval of fencing materials is granted by the Community Development Director, materials must be kept in good condition and if such materials become degraded, deteriorated, decayed, shredded, frayed, ragged, and/or torn they shall be replaced with the same approved material. If the same approved material is not available for replacement or there is a desire to change the material from that which was initially approved it will need additional approval from the Development Services Director.
