The *Senior Property Valuation Protection Option* (Senior Freeze) is available to residential homeowners, 65 years of age or older, who meet specific guidelines based on income, ownership, and residency (Arizona Constitution, Article 9, Section 18.) Please be aware, the program will freeze the Limited Property Value of your property for three years, regardless if future property values increase or decrease.

If you are applying for the first time, please submit [your application](#) in person to the Assessor's Office. The valuation freeze is for three years and is renewable after that time period, if the property owner still qualifies. This does not freeze your property tax bill but does freeze property valuation. Please carefully read the information below and contact our office if you have any questions about the process.

**Application Deadline: March 1<sup>st</sup> thru September 1<sup>st</sup>, 2022**

**Important to Note:**

It is important to understand, should you qualify for the program your **PROPERTY TAXES are NOT FROZEN.**

The freeze applies only to the LIMITED PROPERTY VALUE of your property and will remain frozen even in the event of a declining real estate market. Any changes to the property such as new construction or demolitions that will change your FULL CASH VALUE will result in the removal of the freeze.
