

INSTRUCTIONS: AFFIDAVIT OF PROPERTY VALUE

These instructions are intended to provide clarification for completing the Affidavit. For further assistance, please contact the County Assessor, the County Recorder, the Department of Revenue, or an Arizona real estate professional.

1. **ASSESSOR'S PARCEL IDENTIFICATION NUMBER(s)** -This ID # can be obtained from the County Assessor. Naturally, if the sale consists of one parcel, it should be entered as the Primary Parcel. If the sale includes more than one parcel, the one that most influenced the sale should be listed as the **Primary Parcel**. Enter the total number of parcels included in the sale and up to four additional parcel numbers listed in the spaces provided. If the sale involves more than 5 parcels, please attach a list of all the additional parcels. If the sale involves any parcel that is split/divided so that just a portion of that parcel is sold, please mark the box labeled "YES".

If the sale includes more than one parcel, check only the predominant use of the **Primary Parcel**. **Note:** Do not use **Box F** for a sale of vacant land.
7. **RESIDENTIAL BUYER'S USE** -If you checked box b, c, d, or h for the Property Type in box 6, it is very important that you select the appropriate use listed in this section.
8. If the Property Type in box 6 is an Apartment Building, Hotel/Motel, or Mobile Home/RV Park, enter the total number of Units involved in the sale.
9. **TYPE OF DEED OR INSTRUMENT** -Check only one box. If "**Other**", briefly describe.
