

**ATTACHMENT A – NEW AGENCY REQUEST FORM**

**October 9, 2018**

Question	Response
<b>Coverage</b>	
Does the coverage provided by Pinal County Radio Communication System (PCRCS) meet your agency's needs?	
If not, please identify what areas of need to be added	
Will this additional coverage benefit PCRCS users?	
Have you identified sites where this coverage is needed? If yes, please provide details	
Are there any greenfield sites involved?	
What is the configuration of the equipment in the vehicles? (antenna on roof, on trunk, etc.)	
What is the configuration of the equipment on the user with the portable radio? (on hip, mic on shoulder, etc.)	
Are there are any special in-building requirements where service is needed? If yes, please list the buildings	
Do you currently have service in those buildings today?	
<b>Capacity</b>	
How many subscribers do you plan to add to the PCRCS?	
Do you expect this number to grow over the coming years? If yes, by how much?	
Do you currently own 700/800 MHz frequency spectrum? If so, please provide details	
<b>Radio Consoles</b>	
How many radio consoles do you plan to add to the PCRCS?	
Do you expect this number to grow over the coming years? If yes, by how much?	
How many Public Safety Answering Points do you have?	
Do you plan on retaining your dispatch operations on the new system? If not, are you looking for the Sheriff's Office to dispatch for your agency?	

Are you interested in being a backup dispatch for other agencies on the system?	
<b>RF Sites</b>	
Are any of the sites you own or lease available for use in the PCRCS?	
If yes, please provide details including backhaul connectivity available or planned at the site?	
<b>Special Events</b>	
Do your users support any special events throughout the year?	
If yes, please identify month when the event is usually held each year	
How many users are involved in those events?	
Are additional outside agencies involved in that event? If yes, how many users?	
<b>User Equipment</b>	
Please provide the manufacturer and model of the mobile radios currently in use including quantities	
Are these radios P25 compatible?	
Please provide the manufacturer and model of the portable radios currently in use including quantities	
Are these radios P25 compatible?	
<b>Administrative</b>	
What is the reason that you wish to join the PCRCS?	
What approval process must you follow within your organization to join the PCRCS? Expected timeframe?
